

# Call for tenders

## Invited researcher – 2026

To promote national, European and international collaborations, the MarMaRa institute opens a call entitled “**Invited researcher**”. The aim of this call is to support the **hosting of a researcher in one of the Institute's teams**. The duration of their stay will be from **one week to 3 months**. Eligible expenses correspond to travel and accommodation costs.

### General eligibility criteria and evaluation rules:

- A team can apply a **maximum of two times to the same call** and the team leader will be asked to rank the applications.
- For TAGC members (laboratory not operating in teams) only four applications for the whole laboratory are accepted for each call session.
- In case of two applications from the same team for the same call, the applications ranked second will be evaluated by the scientific committee according to the budget available.
- Masters’ internships and PhD students must only be funded by the dedicated calls (“Master” “End of thesis”).

### Specific eligibility criteria:

- **All researchers are eligible:** PhD students, postdoctoral fellows, researchers and engineers.
- **European and international candidates are highly encouraged.**
- The hosting team must belong to the MarMaRa institute.
- To be eligible a significant proportion of the team members (students, non-permanent, permanent staff) must have been involved in the institute’s activities<sup>1</sup> during the last and current academic year. If not, you commit to participate for the current and next academic year.

<sup>1</sup> Annual symposium, seminars, PhD program, WG CIVIS, WG 3M...
