

Call for proposals

Invited researcher – 2026

To promote national, European and international collaborations, the MarMaRa institute opens a call entitled “**Invited researcher**”. The aim of this call is to support the **hosting of a researcher in one of the Institute's teams**. The duration of their stay will be from **one week to 3 months**. Eligible expenses correspond to travel and accommodation costs.

General eligibility criteria and evaluation rules:

- A team can apply a **maximum of two times to the same call** and the team leader will be asked to rank the applications.
- For TAGC members (laboratory not operating in teams) only four applications for the whole laboratory are accepted for each call session.
- In case of two applications from the same team for the same call, the applications ranked second will be evaluated by the scientific committee according to the budget available.
- Masters’ internships and PhD students must only be funded by the dedicated calls (“Master” “End of thesis”).

Specific eligibility criteria:

- **All researchers are eligible:** PhD students, postdoctoral fellows, researchers and engineers.
- **European and international candidates are highly encouraged.**
- The hosting team must belong to the MarMaRa institute.
- To be eligible a significant proportion of the team members (students, non-permanent, permanent staff) must have been involved in the institute’s activities¹ during the last and current academic year. If not, you commit to participate for the current and next academic year.

¹ Annual symposium, seminars, PhD program, WG CIVIS, WG 3M...

Evaluation:

The Scientific committee of MarMaRa will evaluate and select the projects. The evaluation criteria will be the candidate's profile and the relevance of the project with the institutes research axis.

Documents required:

- Application form (document to download [on the website](#))
- CV of the invited researcher including academic titles, honours, teaching and research activities as well as a list of the 5 major publications.

Application must be submitted as a single PDF file ("MarMaRa_AO_Invited researcher_[Name of researcher]_[MarMaRa_Laboratory – team]_[date]") **in this [AMUBOX folder](#).**

Terms of engagement:

All scientific publications and communications which have benefited of the financial support of MarMaRa must mention the following sentence:

*This work received support from the French government under the France 2030 investment plan, as part of the Initiative d'Excellence d'Aix-Marseille Université - A*MIDEX (AMX-19-IET-007) through the Marseille Maladies Rares Institute (MarMaRa)*

Publications must be deposited in the A*Midex HAL AMU collection, the University's open archive.

Deadline: open continuously
